

# PRO-FAB 2008

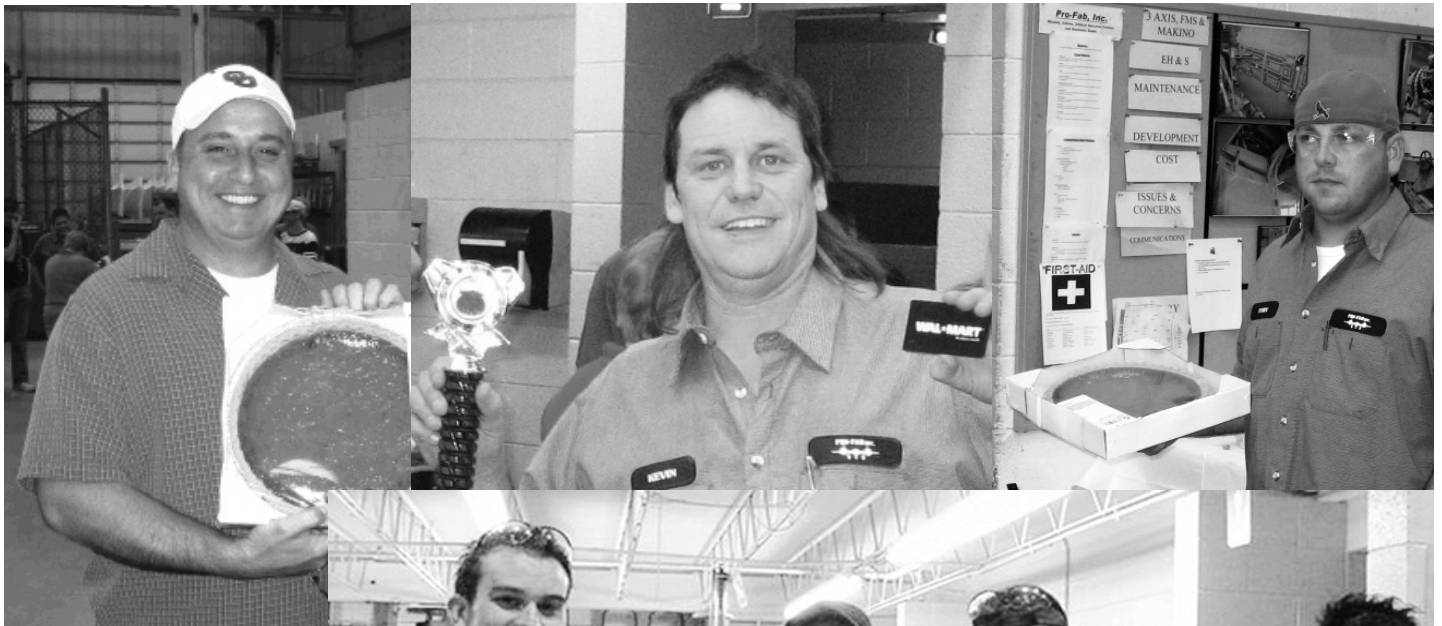

## People's Choice for Best Chili!

**And the winners! 1st shift: Kevin Clift won 1st place with a tie for runner up between Toby Gifford and Glen Burdett. On 2nd shift: Branden Ruyle took home the trophy and Nhut Nguyen runner up!**

First place winners received a trophy plus a \$20 Wal-Mart gift card and big pumpkin pies went to the runners up.

The real winners though were everyone who participated, not only in the contest but enjoying a truly bountiful meal with coworkers. It was a true Thanksgiving "gettogether". Sincere "thank you's" to all those who helped with the buffet (*before and after*) and those who brought wonderfully homemade goodies to eat. Plus special accolades and applause to all the participants who entered their own special chili. Each and every one of you are winners! Rarely for a loss of words, pictures can express how great the event was, thanks again to everyone!

There are color collages of the event in both the shop and admin buildings.

# For every season there is a reason

I have received back from 1st Step the names, gender and age of the children whose fathers will be there this Christmas. It was a smaller list -- 35 to be exact -- than I thought it would be. Hopefully between all of us -- over 100 -- we can give enough that each of these few receive a gift.

In an effort to make things easier for everyone I will be coming through the shop very soon to seek donations. As a hint: I don't think you'll be able to miss me - I'll be the one dressed as a Christmas Tree! I'm not the Angel Tree I first envisioned but have come to realize -- no offense to the gender -- many Pro-Fab employees are not prone to seeking out such things as Christmas cards. Also in an effort to simplify matters please know I will wholeheartedly welcome cash contributions without picking one of the following children's cards. What ever is convenient for you that will help make it a better Christmas for these few! ...
